PROTECT YOUR PASSION

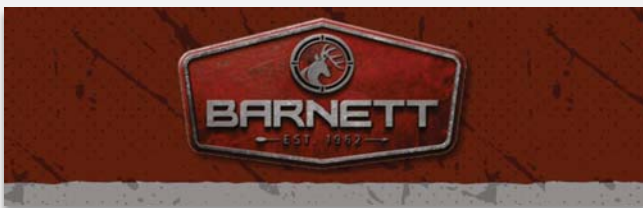

Plano is a company founded on the belief that outdoor adventures go beyond the fish you catch or the game you carry out, but the experience you take in. Fishing and outdoors can be an adventure, an escape and an outlet. But one thing it should never be is complicated.

Plano continues to develop innovative tackle storage solutions that allow anglers of all levels to easily store and manage their gear. With ever-evolving ways to organise, transport and access your tackle, we'll keep you equipped and ready to reel in unforgettable fishing and outdoor experiences.

Complete range of storage solutions for all of your tackle and fishing gear.

Barnett provide an entire range of youth bows to help introduce new archers.

The easiest to use, the most affordable and smallest trail camera available.

Full range of arrows available in fiberglass and carbon.

THE PLANO LIFETIME WARRANTY

* All Plano products are covered by a lifetime manufacturing warranty which is a true testament to the quality and workmanship that goes into each model that is produced. This warranty does not cover, misuse, neglect, fair wear and tear, accidental breakage or parts that are no longer available. Your Plano product will need to be returned to the place of purchase or back to your nearest dealer and it will be either repaired or replaced based on the assessment by the Plano repair team.

* For the full details on the Plano Warranty, please visit our website <http://www.jmgillies.com.au/product/about-plano-plano-warranty/>

* Due to J.M.Gillies constant product development, specifications and images may vary from those published in this catalogue.

* All other brands that Gillies represent are on the other side of the catalogue

EDGE

Anglers asked for it, and Plano delivered. Our revolutionary EDGE tackle box is now available in our smallest size, the 3500. EDGE boxes have quickly gained notoriety among fishing enthusiasts as cutting EDGE tackle storage that solves every problem on the water.

Pre-separated vented dividers

EZ Label

One handed latch

EDGE 3500

Features Water Wick divider with reusable moisture-wicking packet, Dri-Loc O-ring seal maintains waterproofing when closed, Rustructor technology delivers 360 degrees of rust-preventative protection. EZ label for quick identification, DuraView crystal-clear polycarbonate lid, Compatible with hook and weight retainers (sold separately)
Code:11PLASE350 23 x 13 x 3.5cms

EDGE

The EDGE Terminal takes customisable organisation one step further with special enhancements for small items like terminal tackle. Now available in the mid-size 3600 box, The EDGE Terminal features 10 lift-out boxes for accessible organisation.

Includes 10 hook retainers, Water Wick divider with reusable moisture-wicking packet, Dri-Loc O-ring seal maintains waterproofing when closed, Rustructor technology delivers 360 degrees of rust-preventative protection. EZ label for quick identification, DuraView crystal-clear polycarbonate lid.
Code:11PLASE300 27 x 18 x 3.5cms

EDGE 3600 TERMINAL

EDGE

Make it your own. The EDGE Flex Series adds ultimate versatility to Plano's EDGE boxes. Available in two sizes, every EDGE Flex tackle box includes a fully customisable internal dividers system, plus all the bells and whistles from the standard EDGE line.

EDGE 3600 FLEX

CODE:11PLASE366
27 x 18 x 4cms

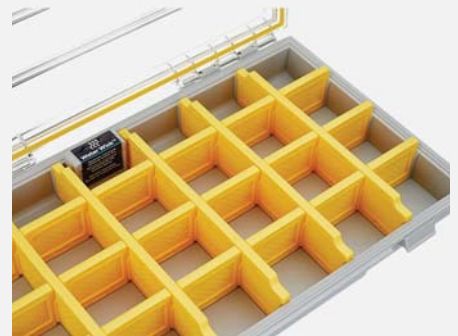

Each EDGE Flex includes (5) 4X dividers, (6) 3X dividers, (9) 2X dividers, (18) 1X dividers

EDGE 3700 FLEX

CODE:11PLASE377
35 x 23 x 6.5cms

EDGE PROFESSIONAL SERIES STOWAWAYS

Plano have re-invented the Stowaway with the launch of EDGE! At first glance, you'll notice the clarity of the lid, and the massive 1-handed latch...But diving deeper, you'll see a long list of features that separate EDGE from the competition.

Features include: Dri-Loc watertight seal, Rustructor rust prevention moulded into base, Crystal clear lid & One-handed latch, water absorbing desiccant divider, innovative labeling system, pre-separated vented dividers that recess into the base to avoid part migration and ribbed lid and steel pin hinges for durability.

EDGE MASTER SERIES STOWAWAYS

The Edge Master Series have all of the same features as the Professional Series along with tackle specific designs.

The Edge Master Terminal has unique lift-out trays for weights, hooks and small parts. The Edge Master crankbait series have Silicone Fingers which protect lures, hooks and finishes. These are available in both shallow and deep models.

The Jig and Spinnerbait models feature adjustable, removable dividers and side moulded handles.

BULK STORAGE

This Plano Storage Trunk is very useful for storing sports gear, camping equipment and many other items. It is made of sturdy black plastic with a reinforced lid. The tubs are designed so they can be stacked to maximize storage space. They have tie-downs on the side and lid and can be locked for extra security. It will keep your items organised and easily accessible in your basement, garage, shed or other storage area. The black Plano storage trunk is an ideal choice for storing seasonal items safely and neatly

STOWAWAY TACKLE SYSTEMS

Plano set the industry standard in 1952 with its well-planned and efficient StowAway® tackle system that is still in use today. Keep an eye out for the series notation on our StowAway utility boxes, soft bags and tackle boxes to find right size storage system for you.

STOWAWAY TACKLE SYSTEMS

3400 SERIES	COMPACT, WALLET-SIZED ORGANIZERS FOR SMALL LURES AND ACCESSORIES
3500 SERIES	INTERMEDIATE-SIZED BOXES FOR STORING A WIDE VARIETY OF BAITS AND ACCESSORIES
3600 SERIES	CUSTOMISABLE STORAGE OPTIONS FOR MOST STANDARD TACKLE
3700 SERIES	LARGE-SIZED BOXES FOR STORING A WIDE VARIETY OF BAITS AND ACCESSORIES

RUSTRICTOR STOWS

Plano's innovative Rustrictor Series brings unbeatable rust-proof protection to the StowAway line. Designed in partnership with industry leader Armor Protective Packaging, Rustrictor Stows surround tackle with 360 degrees of Vapour Corrosion Inhibitor (VCI). These tackle boxes fight back at rust and corrosion 5x longer* than the competition. Keep your prized lures looking like new with Rustrictor! *Per Accelerated Lab Testing. **Features:** Entire box infused with VCI rust prevention, works without dividers, have bright red latches and are available in 6 popular sizes.

The entire box is infused with VCI rust prevention and works without dividers

ABS WATERPROOF CASES

The ABS Series waterproof cases provides unparalleled protection for your important items. The strong ABS structure and Dri-Loc seal make the cases tough and airtight as well. The 144930 and 145040 models have TPR rubber lining that provides secure protected storage and the 146070 and the 147080 models have high density PLUCK FOAM that provides even more secure storage. Each case has a pressure release latch and theft prevention tab.

LINK-MICRO-LTE CAMERA

The LINK-MICRO-LTE from SPYPOINT continues the legacy of the MICRO family, offering an Incredible performance and opening the door to the definitive mobile scouting solution, at a price that you can afford.

The LINK-MICRO-LTE is a photo-mode only camera, with multi-shot capabilities. All camera settings are managed in the app, where the full compliment of advanced scouting tools like enhanced AI species filters, mapping and weather integration can be found.

- 10 megapixels
- .5-second trigger speed
- 80-foot detection and flash range

The LINK-MICRO-LTE takes advantage of the LTE cellular network for improved camera reliability and longevity.

Size: H11.2 x W7.9 x D5.6 cms / Code: 83LMTC

LINK-MICRO-LTE

THE BIGGEST VALUE IN CELLULAR TRAIL CAMERAS

The LINK-MICRO-LTE from SPYPOINT pairs the most popular cellular trail camera in years, with the ultrareliable LTE cellular network. A remarkably compact cellular trail camera, the LINK-MICRO-LTE is surpassing every expectation of performance and value.

BARNETT YOUTH BOWS

As the popularity of archery continues to surge, families across the country are realising the many benefits of getting kids involved in this dynamic sport. Strength, focus and confidence are just a few of the reasons archery is captivating many families across the country, Barnett provides an entire line of youth bows to help introduce new archers to the sport and challenge advancing marksmen to sharpen their skills. If you want to start youth archers off on the right draw, equip them with a Barnett bow.
