SLING PACK

With its easy access compartment and extremely rugged wear-resistant 1680D construction, the Bluewater Drift Series Tackle Sling Packs deliver the quality and functionality. The sling pack design allows you to carry all your fishing essentials on your back while giving you the convenience of being able to swing your gear to the front when needed. These Bluewater Drift Series Sling Packs features our innovative quick access feature that provides convenient, easy access to all your trays. The integrated tie down Y-Strap will secure your trays in the pack, and in case of stormy weather, these sling packs are equipped with an integrated rain fly that you can store away when not in use. With its large exterior storage pocket (fits our 3500 series trays), 2 gusseted side pockets, 3 rubber mesh slip pockets & zippered storage pocket on the strap, you'll have plenty of room to store all your accessories. It also includes a side pocket line spool feed & 2 plier holsters. Transporting your gear will be a breeze with the adjustable, heavy-duty strap as this pack has the capacity to hold up to 3-3600 size tackle trays in the open access compartment. The Bluewater Drift Series Sling Pack includes 3 matching color Drift Series Tackle Trays.

Innovative and convenient open access design, Largemouth main opening allows for easier access to all trays.

Includes 3 Drift Series tackle trays, secure trays with integrated tie-down y-strap.

Extremely rugged wear-resistant 1680D Polyester construction.

Adjustable, padded shoulder strap with zippered pocket and plier holster.

Integrated rain fly for stormy weather.

Quick access plier holster on front pocket.
